**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please consider allowing multiple providers for broadband. As consumers' we are typically held an economic stronghold between only one or two providers. We need to have affordable access to broadband, and that seems only possible when more than two providers are allowed. Limited broadband choices create a digital divide by one or only two providers driving the cost beyond affordability. My 12-year-old daughter, Isabella needs broadband to complete her homework.

Thank you for your help with this matter.

Sincerely,

Jayne Uberti Wachter
